

1st Workshop on Low Emittance Lattice Design

Friday 24 April 2015

Future Circular Colliders - Rm Luis Vives I (15:40 - 16:50)

-Conveners: Yannis Papaphilippou

time	[id] title	presenter
15:40	[41] *FCC, a study for the next generation particle collider (25+5)	HOLZER, Bernhard
16:10	[42] FCC: Lattice optimization and emittance tuning (20+5)	HARER, Bastian
16:35	[43] Discussion / Short Contributions
