

CHATS on Applied Superconductivity 2015

Tuesday 15 September 2015

Session III: HTS quench: Part I (09:30 - 11:45)

-Conveners: Marco Breschi; Francesco Grilli

time	[id] title	presenter
09:30	[58] Numerical analysis of propagation of thermal disturbances in REBCO tapes	BRIGHENTI, Alberto
10:30	Coffee Break	
10:45	[60] Electro-thermal Analysis of quench in High Field HTS coils	CAVALLUCCI, Lorenzo
11:15	[61] Comprehensive quench analysis of the NHMFL 32T all-superconducting magnet	GAVRILIN, Andrey
