

Session Program

14-16 Sept 2015

CHATS on Applied Superconductivity 2015

Session III: LTS quench

Bologna, Italy

Tuesday 15 September

08:30

Session III: LTS quench: Part II

Session | Location: Bologna, Italy | Conveners: Fabrizio Bellina, Andy Gavrilin

08:30–09:00

Stability modeling of the LHC Rutherford cables subjected to beam losses

Speaker

Marco Breschi

09:00–09:30

Using the HELIOS facility for assessment of bundle-jacket thermal coupling in a CICC

Speaker

Benoit LACROIX

09:30
