# Propose a lightning talk

*... for example:*

**I discovered this cool technology - anyone else using it?**

**I solved a common problem in an unusual way**

**I did ... and it didn't work – don't repeat my mistake**

**Which platform or language would you chose to...**

**There is a new online service – very useful!**

**Look what I developed at home, just for fun!**

**I think CERN could... / IT Department should...**

**I have this idea for a project, what do others think?**

**I've heard about this new trend in computing...**

**Here's a question I've been always asking myself**

**I predict than in 10 years everybody will...**
