

AOB:

- How is the installation going on in 156 ?
- Please prepare a report for each secondment performed (~ 10 pages), to be sent to Nuria, with H el ene & Michele in cc.
- 1 year interview to be performed between each student and her/his supervisor (review of CDP, work already achieved, objectives for the coming year, trainings needed, conferences, workshops foreseen,...)
- Have you already started writing your PhD thesis?
- One proposal from P. Arpaia:
 - You prepare a paper concerning the state of the art of your field of research, explaining what is new in your subject
 - All the papers will be reviewed by a committee that Pasquale would chair, with the objectives that the papers are edited by Pasquale in a journal.
