Session Program

30 April 2015

CLICdp tracker meeting

Space resolution, power consumption and perspectives for tracking systems and monolithic detectors

CERN, 4/1-021

Thursday 30 April

14:00

15:30

Space resolution, power consumption and perspectives for tracking systems and monolithic detectors

Session | **Location:** CERN, 4/1-021 | **Convener:** Walter Snoeys
