

Session Program

20-21 May 2015

TOP LHC WG meeting

Top quark production

CERN, 4/3-006 - TH Conference Room

Wednesday 20 May

15:15

Top quark production

Session | **Location:** CERN, 4/3-006 - TH Conference Room

15:15–15:45 **CMS ttV production update**

Speaker

Andrew Brinkerhoff

15:45–16:15 **Theoretical overview on ttV**

Speaker

Markus Christian Schulze

16:15–16:45 **NNLO calculations for the t-channel cross section**

Speaker

Fabrizio Caola

16:45–17:15 **Top production in Heavy Ions collisions**

Speaker

Krisztian Krajczar

17:45
