

Session Program

9-13 Feb 2009

**CERN Winter School on Supergravity, Strings
and Gauge Theories**

Working groups 2, 3, 6

CERN, 500/1-001 - Main Auditorium

Tuesday 10 February

17:00

Working groups 2, 3, 6

Session | Location: CERN, Room: see WG information

17:00-19:00

Working group 6: F-theory phenomenology

Location

CERN, Room 60-6-002

17:00-19:00

Working group 2: 3D gravity theories and the Kerr/CFT correspondence

Location

CERN, Room 13-2-005

17:00-19:00

Working group 3: Super-Chern-Simons field theories, multiple M2 branes, BLG models and tri-algebras

Location

CERN, Room 6-2-024

19:00
