

Session Program

9-13 Feb 2009

**CERN Winter School on Supergravity, Strings
and Gauge Theories**

Working groups 1, 2, 4

CERN, 500/1-001 - Main Auditorium

Wednesday 11 February

16:00

Working groups 1, 2, 4

Session | Location: CERN, Room: see WG information

16:00-18:00

Working group 4: Type IIA superstrings in AdS₄ x CP³ background

Location

CERN, Room 6-2-024

16:00-18:00

Working group 1: Topological strings (Non-compact CY's)

Location

CERN, Room 60-6-002

16:00-18:00

Working group 2 (second session): 3D gravity theories and the Kerr/CFT correspondence

Location

CERN, Room: 160-1-009

18:00
