

Session Program

30 June 2015 to 2 July 2015

Top physics at lepton colliders

Workshop - top mass

IFIC Valencia

Tuesday 30 June

14:30

Workshop - top mass

Session | **Location:** IFIC Valencia | **Conveners:** Juan Fuster Verdú, Andre Hoang

14:30–15:15 **Top mass - status and interpretation**

Speaker

Andre Hoang

15:15–15:45 **top mass at the LHC**

Speaker

Adrian Irls Quiles

15:45–16:05 **conversion between top quark mass schemes**

Speaker

Peter Marquard

16:05–16:35 **Coffee break**

16:35–17:05 **Top mass at threshold**

Speaker

Frank Simon

17:05–17:25 **Top pair production near threshold at the ILC**

Speaker

Akimasa Ishikawa

17:25–17:40 **Top mass and α_s**

Speaker

Martin Perello

17:40–17:55 **Top mass in the continuum**

Speakers

Marca Josep Boronat Arevalo, Pablo Gomis
