Workshop - couplings & BSM

Session | **Location:** IFIC Valencia | **Convener:** Eduardo Ros

09:30–10:00 **Top couplings overview**

Speaker

Roman Poeschl

10:00–10:40 **Highlights of top quark measurement at the LHC: top quark couplings**

Speaker

Maria Jose Costa

10:40–11:10 **Imprints of Composite Higgs Models at e+e- Colliders**

Speakers

Stefania De Curtis, Stefania De Curtis

11:10–11:40 **coffee break**

11:40–12:00 **t -> cH**

Speakers

Francisco Jose Botella Olcina, Miguel Nebot

12:00–12:20 **t -> cH theory overview**

Speaker

gauhar abbas

12:20–12:40 **potential to constrain the t -> cH decay at the ILC**

Speaker

Aleksander Zarnecki

13:00
