

# AIDA-2020 Kick-off meeting

## Thursday, June 4, 2015

### WP14 Infrastructure for advanced calorimeters - 6/2-004 (9:00 AM - 12:30 PM)

-Conveners: Frank Simon; Roman Poeschl

| time     | [id] title  | presenter                  |
|----------|---|----------------------------|
| 9:00 AM  | [M16] Introduction to WP14  | SIMON, Frank               |
| 9:25 AM  | [M17] Task 14.2: Test infrastructure for innovative calorimeters with optical readout       | AUFFRAY HILLEMANN, Etienne |
| 10:00 AM | [M18] Task 14.3: Test infrastructure for innovative calorimeters with semiconductor readout | BOUDRY, Vincent            |
| 10:35 AM | Coffee Break  |                            |
| 10:55 AM | [M19] Task 14.4: Readout systems for innovative calorimeters                                | KRUGER, Katja              |
| 11:30 AM | [M20] Task 14.5: Mechanical and thermal tools for innovative calorimeters                   | FOUZ IGLESIAS, Maria       |
| 12:05 PM | [M21] Open Discussion   |                            |
