

## **Session Program**

**4-6 Sept 2006**

# **CHIPP workshop on the high-energy frontier of particle physics**

***Present analysis activities on high energy  
colliders***

Physik-Institut der Universitaet Zuerich  
Irchel Campus Winterthurerstr 190 8057 Zuerich

# Monday 4 September

16:00

## Present analysis activities on high energy colliders

**Session** | **Location:** Physik-Institut der Universitaet Zuerich, Irchel Campus Winterthurerstr 190 8057 Zuerich

16:00–16:30

### CDF analysis activities

**Speaker**

Mario Campanelli

16:30–16:50

### D0 analysis activities

**Speaker**

Frank Lehner

16:50–17:30

### H1 analysis activities

**Speaker**

Katharina Mueller

17:30–18:00

### Belle analysis activities

**Speaker**

Tagir Aushev

18:00
