

Session Program

4-6 Sept 2006

CHIPP workshop on the high-energy frontier of particle physics

Status of Swiss detector contributions for the LHC - main emphasis on plans for commissioning

Physik-Institut der Universitaet Zuerich
Irchel Campus Winterthurerstr 190 8057 Zuerich

Monday 4 September

14:00

Status of Swiss detector contributions for the LHC - main emphasis on plans for commissioning

Session | **Location:** Physik-Institut der Universitaet Zuerich, Irchel Campus Winterthurerstr 190 8057 Zuerich

14:00-14:10

Welcome

Speaker

Daniel Wyler

14:10-14:40

Atlas - status of Swiss contributions and plans for commissioning

Speaker

Szymon Gadomski

14:40-15:10

CMS - status of Swiss contributions and plans for commissioning

Speaker

Wolfram Erdmann

15:10-15:40

LHCb - status of Swiss contribution and plans for commissioning

Speaker

Peter Fauland

15:40-16:00

Tea break

16:00
