## Wigner Datacenter - Site report

*Tuesday 13 October 2015 10:50 (20 minutes)*

We give an update on the infrastructure, Tier-0 hosting services, Wigner Cloud and other recent developments at the Wigner Datacenter. We will also include a short summary on the Budapest WLCG Tier-2 site status as well.

### **Length of presentation (max. 20 minutes)**

15 minutes
