

Session Program

8-14 Feb 2009

**Aspen Winter 2009 - Workshop on Physics at
the LHC era**

Wednesday Morning Session

Aspen Center for Physics

Wednesday 11 February

08:00

Wednesday Morning Session

Session | Location: Aspen Center for Physics

08:00-08:25 **Models of TeV-scale Physics**

Speaker
Csaba Csaki

08:25-08:50 **Searches for Exotic Phenomena at the Tevatron**

Speaker
Sasha Pranko

08:50-09:15 **UnHiggs**

Speaker
John Terning

09:15-09:45 **break**

09:45-10:15 **Little Higgs and other extensions of the EWSB sector**

Speaker
Witold Skiba

10:15-10:35 **Prospects for Searches for Exotic Phenomena at the LHC**

Speaker
Barbara Clerbaux

10:35-11:00 **Flavor and New Physics**

Speaker
Andreas Weiler

11:00
