

**Session Program**

**8-14 Feb 2009**

**Aspen Winter 2009 - Workshop on Physics at  
the LHC era**

***Tuesday Afternoon Session***

Aspen Center for Physics

Tuesday 10 February

16:30

Tuesday Afternoon Session

Session | Location: Aspen Center for Physics

16:30-16:55 SUSY Theory Talk

Speaker  
Tilman Plehn

16:55-17:20 Searches for Supersymmetry at the Tevatron

Speaker  
Mike Eads

17:20-17:45 Prospects for SUSY Searches at the LHC

Speaker  
James Boyd

17:45-18:05 break

18:05-18:30 Theoretical View of Top Quark Production

Speaker  
Tim Tait

18:30-18:55 Electroweak Precision Data

Speaker  
Jens Erler

18:55-19:20 Prospects for Electroweak Measurements at the LHC

Speaker  
Norbert Neumeister

19:20
