

Session Program

8-14 Feb 2009

**Aspen Winter 2009 - Workshop on Physics at
the LHC era**

Thursday Morning Session

Aspen Center for Physics

Thursday 12 February

08:00

Thursday Morning Session

Session | Location: Aspen Center for Physics

08:00–08:30 New results in charmless hadronic B decays from BaBar

Speaker
Matt Graham

08:30–09:00 Flavor Physics at Belle

Speaker
Tom Browder

09:00–09:30 Flavor Physics at the Tevatron

Speaker
Rick Jesik

09:30–09:50 break

09:50–10:15 Lattice QCD Calculations

Speaker
Andreas Kronfeld

10:15–10:40 Flavor physics in a warped extra dimension

Speaker
Matthias Neubert

10:40–11:05 Cosmic Microwave Background

Speaker
Scott Dodelson

14:00
