

Session Program

8-14 Feb 2009

**Aspen Winter 2009 - Workshop on Physics at
the LHC era**

Monday Morning Session

Aspen Center for Physics

Monday 9 February

08:00

Monday Morning Session

Session | Location: Aspen Center for Physics

08:00–08:30 **The window to the Terascale**

Speaker

Jesse Thaler

08:30–09:00 **Status of the LHC**

Speaker

Roger Bailey

09:00–09:25 **Status of LHCb**

Speaker

Richard Jacobsson

09:25–09:45 **break**

09:45–10:05 **The ATLAS detector it's Commissioning without Beam**

Speaker

Joerg Dubbert

10:05–10:25 **The CMS detector it's Commissioning without Beam**

Speaker

Kaori Maeshima

10:25–10:45 **Heavy Ion Physics at ATLAS and CMS**

Speaker

Marzia Rosati

10:50
