## Mikołaj Kupczyński

Mikołaj was born in 1995 in Vienna. Currently he is a student at the faculty of production engineering and management at Warsaw University of Technology. He became really passionate about music since he first heard Mike Oldfield's compositions. As a child Mikołaj found his father's guitar and he didn't put it back ever since. For the last few years he has been practicing playing drums. In his spare time Mikołaj

widens his musical knowledge and composes. Together with Patrycja he is a member of students association of music and acoustic.
