

# Safety Training Personnel matters

**Gilles COLIN** (GS-FB) has officially retired. Gilles has done a tremendous work for the development of Safety Training Centre. Without him, the Centre wouldn't be what it is now.

Following Gilles' departure, **Antonio CUENCA PEREZ** (GS-FB) is our technical coordinator at the Safety Training Centre. He deals in particular with the fire simulator.

# Safety Training Personnel matters

We welcome **Rosaria MARRAFFINO** who has joined our team as a Graphical Designer with the status of Fellow. She deals with the E-learning courses and the hand-outs of face-to-face courses.

**Lars APRIN** is a Fellow of DGS-DI who shares his experience in the implementation of the new LMS.

**Manuel BOUZAS REGUERA** is a Fellow who works with GS-AIS for the implementation of the new LMS.
