

The Better Body Bag

Social Solutions Research

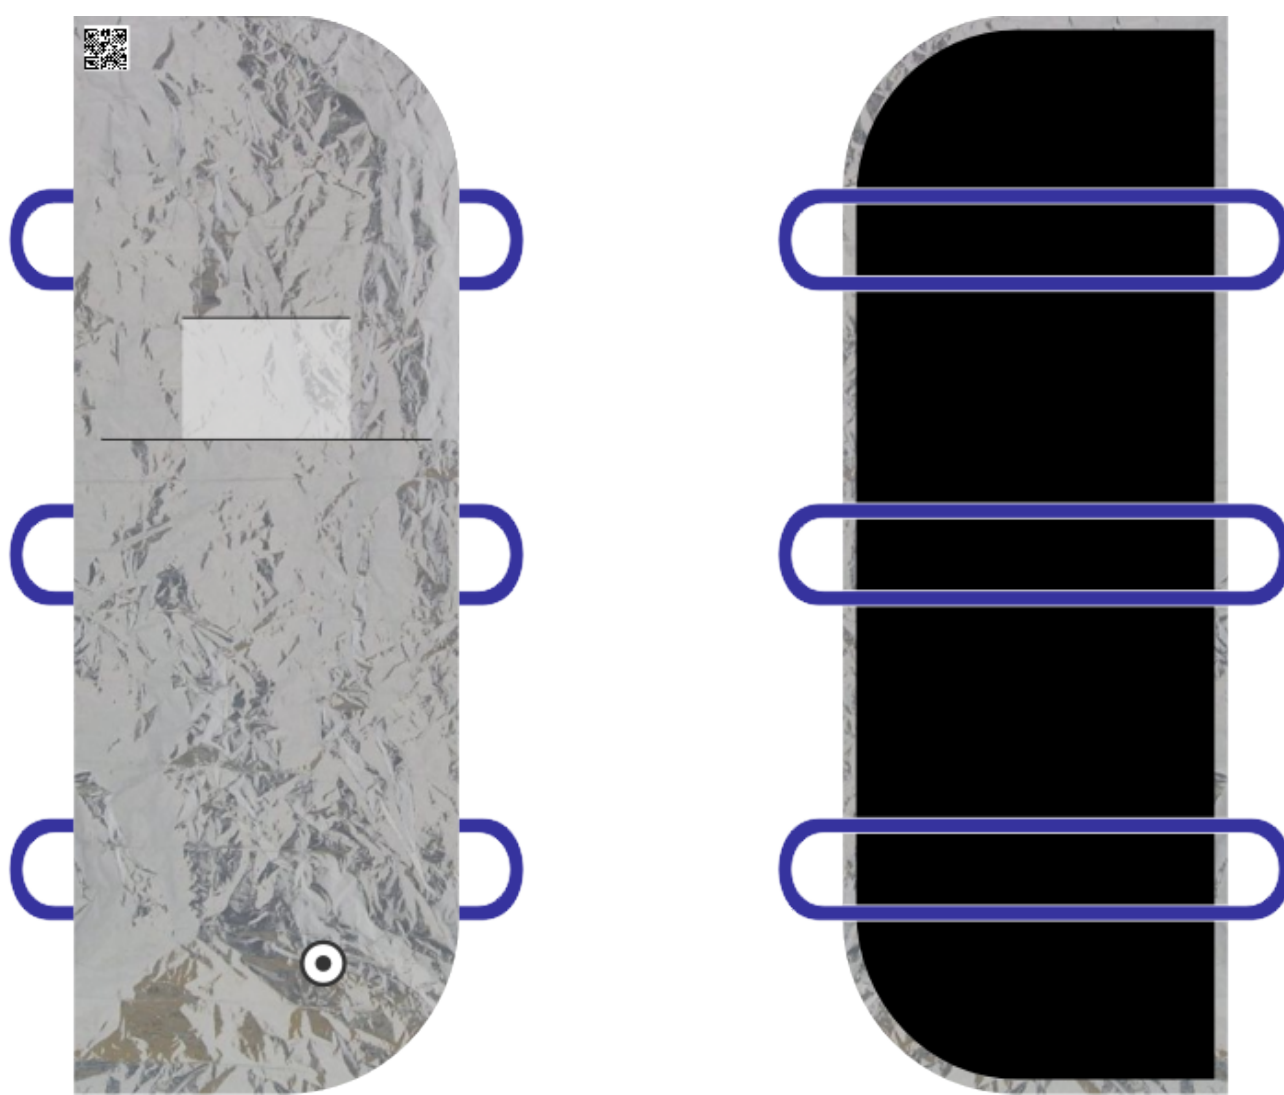

Introduction

The Team

Rapid prototyping

Rapid prototyping

Professionals

Professionals

- Starting an association
- Good people
- Getting help

Not so Hard Things

- Time
- Time
- Staying focussed
- Hammering out the details

Not so Easy Things

BODYTRACE

DISPOSING OF DEAD BODIES

BODIES

1. **RECOVERY**

Rapid retrieval is a priority because it aids identification and reduces the psychological burden on survivors. Recovery of bodies should not interrupt other interventions aimed at helping survivors

ADD
Please ID the bag

QR CODE

or

SERIAL NUMBER

e.g. B17R-XC67
