

# EGI/WLCG Security Policies

**David Kelsey (STFC-RAL)**

WLCG GDB, CERN  
13 January 2016

[www.egi.eu](http://www.egi.eu)

EGI-Engage is co-funded by the Horizon 2020 Framework Programme  
of the European Union under grant number 654142

- Update since GDB July 2015
- Ongoing EGI SPG activities
  - Revised User AUP – now finished
  - Revised VM Endorsement & Operations policy - ready
- Personal Data Protection issues
  - See Ian's talk
- Other topics not discussed today
  - SCI (GDB July 2013) and Sirtfi/AARC (Hannah)
  - EGI Long Tail of Science – policy and AUP (both exist)

## AUP revision to address

- Generalise to include all EGI service offerings
  - Grids, Clouds, Long Tail of Science, etc.
- Require: acknowledge support in publications  
<https://documents.egi.eu/document/2623>
- Version was distributed for public comment
  - And now approved by EGI OMB
  - Draft was version 1.9 – FINAL will be version 2
- The new Data Protection policy will require yet another change to the AUP

# VM Endorsement & Operation

- This policy started life in the HEPiX Virtualisation WG
- Now need to modify the policy and trust issues
  - To reflect current use cases
- Important for EGI Federated Cloud Services
  - New trust and responsibilities
- We produced an initial first draft which was discussed
  - VM Operator – responsible for all security aspects
  - VM Consumer – end user with no privileges
- <https://documents.egi.eu/document/2729>
- Will be distributed for public comment at end of this week

- I will be asking WLCG MB to adopt the new AUP
  - The most important policy to keep the same everywhere!
- Seeking comments on VM Endorsement
  - End of the week
- Also we will be seeking comments on the Data Protection Policy (but see Ian's talk)

# Thank you for your attention.
