

Session Program

22-25 Sept 2015

Second eLISA CosWG workshop

First order phase transitions

University of Stavanger, E164
4036 Stavanger, Norway http://www.ux.uis.no/~tranberg/Stavanger/Front_Page.html

Thursday 24 September

14:00

First order phase transitions

Session**Location:** University of Stavanger, E164, 4036 Stavanger, Norway http://www.ux.uis.no/~tranberg/Stavanger/Front_Page.html

14:00-14:45

Gravity waves from a delayed electroweak phase transition and cold baryogenesis

Speaker

Geraldine Servant

14:45-15:30

Gravitational waves from a dark sector PT

Speaker

Pedro Schwaller

15:30-16:00

Break

16:00-16:45

First Order Phase Transitions in Extended Higgs Sectors

Speaker

Jonathan Kozaczuk

16:45-17:30

Gravitational wave background from Standard Model physics

Speaker

Jacopo Ghiglieri

18:00
