

# Gaudi Developers Meeting

Graeme Stewart, Marco Clemencic, Pere Mato, Benedikt  
Hegner

**2015-06-10**

# Welcome Back

Transistor Density

Clock Speed

- A lot has changed since Gaudi was designed
- A lot more will change on the road to LHC upgrades
- And beyond, to FCC
- Very appropriate time to restart Gaudi development

Gaudi Design

Gaudi Hive

# Things we should discuss...

- Website
- Code repository
- License & Copyright
- Issue tracker
- Development methodology
  - Test driven
  - Code reviews
  - Validation of changes
  - Commit rights
- Future development goals
  - Need a project leadership
  - Organise meetings and drive the long term vision
    - Don't be afraid of rewrites and deprecation!
- Documentation
