

# **IOP HEPP Particle Physics 2009**

**Monday 06 April 2009 - Wednesday 08 April 2009**

**University of Oxford**

## **Scientific Programme**

## **Collider Physics**

### **LHC**

### **Neutrinos and Dark Matter**

### **QCD and EW**

### **Neutrinos**

### **Flavour Physics**

### **Detectors and Future Facilities**

### **Higgs**

### **Beyond the Standard Model**

### **Double Beta Decay and Dark Matter**
