

in High-Energy Collisions

July 27 - 31, 2015

Monday, July 27, 2015

11:00 – 12:30 Gui ZhiTing Chair Professorship Ceremony

[AD-building meeting room]

# **Scientific Program**

[ 9 - 409 Conference Room ]

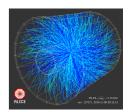

| 14:20 - 14:30 | Welcome (Nu Xu)   |
|---------------|---|
| 14:30 – 16:00 | Peter Braun-Munzinger (EMMI, GSI)                       |
|               | Lecture I: "Quarkonia Productions"                      |
| 16:00 – 16:30 | Coffee Break  |
| 16:30 – 17:00 | Nirupam Dutta (IOP)                                     |
|               | "Can Heavy Quarkonia be Used as a Thermometer for QGP?" |
| 17:00 – 17:30 | Zebo Tang (USTC)  |
|               | "Recent Quarkonia Measurements at STAR"                 |
| 18:00 – 20:00 | Reception (GuiYuan)                                     |

## in High-Energy Collisions

July 27 - 31, 2015

## **Tuesday, July 28, 2015**

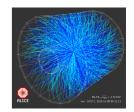

| Chair:        | Daicui Zhou  |  |  |  |  |
|---------------|--|--|--|--|--|
| 9:30 – 11:00  | Johanna Stachel (Heidelberg University)                          |  |  |  |  |
|               | Lecture I: "Hadron Production in High-Energy Nuclear Collisions" |  |  |  |  |
| 11:00 – 11:20 | Coffee Break   |  |  |  |  |
| 11:20 – 12:50 | Krzysztof Redlich (University of Wroclaw)                        |  |  |  |  |
|               | Lecture I: "Basics on the QCD Thermodynamics"                    |  |  |  |  |
| 12:50 - 14:30 | Lunch Break  |  |  |  |  |
| 14:30 – 15:15 | Yifei Zhang (USTC)   |  |  |  |  |
|               | "Recent Open Heavy Flavor Production at STAR"                    |  |  |  |  |
| 15:15 – 16:00 | Micheal Winn (Heidelberg University)                             |  |  |  |  |
|               | "Quarkonia Measurements in p+Pb Collisions at ALICE"             |  |  |  |  |
| 16:00 – 16:30 | Coffee Break   |  |  |  |  |
| 16:30 – 17:00 | Zhongbao Yin (CCNU)  |  |  |  |  |
|               | "Production of Strange Hadrons in pp, p-Pb and Pb-Pb Collisions  |  |  |  |  |
|               | Measured with ALICE"   |  |  |  |  |
| 17:00 – 17:30 | Discussions  |  |  |  |  |

## in High-Energy Collisions

July 27 - 31, 2015

### Wednesday, July 29, 2015

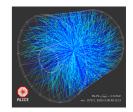

| Chair:        | Feng Liu   |
|---------------|--|
| 9:30 – 11:00  | Peter Braun-Munzinger (EMMI, GSI)                                  |
|               | Lecture II: "The ALICE TPC, Tracking and Particle ID at High Rates |
|               | and for Ultra-High Multiplicities"                                 |
| 11:00 – 11:20 | Coffee Break   |
| 11:20 – 12:50 | Pengfei Zhuang (Tsinghua University)                               |
|               | Lecture I: "Isospin Matter"  |
| 12:50 - 14:30 | Lunch Break  |
| 14:30 – 15:15 | Yaping Wang (CCNU)   |
|               | "ITS Upgrade at ALICE"   |
| 15:15 – 16:00 | Zhengyu Chen (Tsinghua University)                                 |
|               | "Thermal Production of Charms and Charmonia in QGP"                |
| 16:00 – 16:30 | Coffee Break   |
| 16:30 – 17:00 | Yaxian Mao (CCNU)  |
|               | "Jet Production at LHC"  |
| 17:00 -17:30  | Discussions  |
|               |  |

## in High-Energy Collisions

July 27 - 31, 2015

## **Thursday, July 30, 2015**

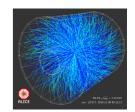

| Chair:        | Guangyu Qin  |
|---------------|--|
| 9:30 – 11:00  | Krzysztof Redlich (University of Wroclaw)                        |
|               | Lecture II: "On QCD Criticality"                                 |
| 11:00 – 11:20 | Coffee Break   |
| 11:20 – 12:50 | Johanna Stachel (Heidelberg University)                          |
|               | Lecture II: "Charm Production at LHC"                            |
| 12:50 - 14:30 | Lunch Break  |
| 14:30 – 15:15 | Lijia Jiang (PKU)  |
|               | "Cumulants from a Hydrodynamic Calculations"                     |
| 15:15 – 16:00 | Shusu Shi (CCNU)   |
|               | "Collectivity in High-Energy Nuclear Collisions at RHIC and LHC" |
| 16:00 – 16:30 | Coffee Break   |
| 16:30 – 17:30 | Discussions  |
| 17:30 – 20:00 | Workshop Dinner (TBD)  |
|               |  |

#### in High-Energy Collisions

July 27 - 31, 2015

#### Friday, July 31, 2015

Chair: Heng-Tong Ding

9:00 – 10:30 Pengfei Zhuang (Tsinghua University)

Lecture II: "Quarkonia Productions and Its Applications

in High-Energy Collisions"

10:30 – 11:00 *Coffee Break* 

11:00 – 11:30 Shuang Li (CCNU)

"Open Heavy-flavour Measurements with ALICE at the LHC"

11:30 - 12:30 **Discussions** 

12:30 End of the Workshop

### Program:

|               | Monday                         | Tuesday     | Wednesday   | Thursday           | Friday      |  |  |
|---------------|--------------------------------|-------------|-------------|--------------------|-------------|--|--|
|               | July 27                        | July 28     | July 29     | July 30            | July 31     |  |  |
| 9:30 - 11:00  |                                | JS (I)      | PBM (II)    | KR(II)             | PFZ(II)     |  |  |
| 11:00 – 11:20 | Tea Break                      |             |             |                    |             |  |  |
| 11:20 – 12:50 | GUI Zhiting<br>Chair Professor | KR (I)      | PFZ (I)     | JS(II)             | Discussions |  |  |
|               | Ceremony                       |             |             |                    |             |  |  |
| 12:30 - 14:30 |                                |             | Lunch Break |                    |             |  |  |
| 14:30 – 16:00 | PBM (I)                        | Discussions | Discussions | Discussions        |             |  |  |
| 16:00 – 17:30 | Discussions                    |             |             |                    |             |  |  |
| 17:30 – 20:00 | Reception                      |             |             | Workshop<br>dinner |             |  |  |
