

OA transformation session : Some introductory thoughts on economics aspects of scholarly communication

Thursday, 22 June 2017 09:00 (40 minutes)

This talk introduces economic aspects to scholarly communications.

Many of them come from my first-hand experience or thought over the years. I also want to set the scene to understand the scope of the issues for the discussants.

Presenter: Dr KRICHEL, Thomas

Session Classification: Plenary 3
