

Session Program

12-16 Sept 2005

**11th Workshop on Electronics for LHC and
future Experiments**

Plenary session P1

Heidelberg
Germany

Monday 12 September

14:00

Plenary session P1

Session | **Location:** Heidelberg, Germany

14:00–14:15

Introduction

Speaker

Local organisers

14:15–15:00

Commissioning the LHC machine

Speaker

Dr Roger Bailey

15:00–15:45

The LHC Machine interface; Status - Challenges - Outlook

Speaker

Dr Thijs Wijnands

15:45–16:15

break

16:15–17:00

Distributed power in space systems

Speaker

Prof. Antonio Ciccolella

17:00–17:45

Design and Performance of the IceCube Electronics

Speaker

Dr Robert Stokstad

17:45
