

# Nuclei in the Cosmos - IX

## Friday, 30 June 2006

### 16 Evolution and evidence of nucleosynthesis in stars: AGBs (14:00 - 15:00)

-Conveners: Richard Azuma

time	[id] title	presenter
14:00	[14] 3D Hydrodynamical Models of the Core Helium Flash	LATTANZIO, John
14:20	[60] The s-process in massive stars: the Shell C-burning contribution	PIGNATARI, Marco
14:40	[22] Light and heavy elements nucleosynthesis in low mass AGB Stars	CRISTALLO, Sergio
