

Nuclei in the Cosmos - IX

Monday, 26 June 2006

3 Nuclei far from stability (14:30 - 16:10)

-Conveners: Karlheinz Langanke

time	[id] title	presenter
14:30	[278] Nuclear-physics data for modeling of the r-process	KRATZ, Karl-Ludwig
15:00	[101] Progress in the investigation of nuclei approaching the r-process waiting point A=195	KURTUKIAN-NIETO, Teresa
15:20	[195] Building nuclei from the ground up	HAGEN, Gaute
15:40	[272] Mass measurements of exotic nuclei and their role in stellar nucleosynthesis	LUNNEY, David
