

Session Program

5-7 Apr 2000

**Fundamental Physics in Space and Related
Topics**

Open Symposium

CERN

Friday 7 April

09:00

Open Symposium

Session | Location: CERN, 500/1-001 - Main Auditorium

09:00–09:15 Address by the Director-General of CERN

Location
CERN, 500/1-001 - Main Auditorium

09:15–09:30 Address by the Director-General of ESA

Location
CERN, 500/1-001 - Main Auditorium

09:30–10:05 Summary of the Cosmology session

Speaker
L. Woltjer

Location
CERN, 500/1-001 - Main Auditorium

10:05–10:35 Coffee Break

10:35–11:10 Summary of the Gravitation I session

Speaker
G. Schaefer

Location
CERN, 500/1-001 - Main Auditorium

11:10–11:45 Summary of the Astroparticle Physics I session

Speaker
P.L. Biermann

Location
CERN, 500/1-001 - Main Auditorium

11:45–12:20 Summary of the Astroparticle physics II session

Speaker
A. De Rujula

Location
CERN, 500/1-001 - Main Auditorium

12:20–14:00 Lunch

14:00–14:35 Summary of the Instrumentation I session

Speaker
M. Spiro

Location
CERN, 500/1-001 - Main Auditorium

14:35–15:10 Summary of the Instrumetnation II session

Speaker

G.M. Viertel

Location

CERN, 500/1-001 - Main Auditorium

15:10-15:45 Summary of the Gravitation II session

Speaker

M. Huber

Location

CERN, 500/1-001 - Main Auditorium

15:45-16:15 Coffee Break

16:15-16:30 Testing general relativity

Speaker

N. Straumann

Location

CERN, 500/1-001 - Main Auditorium

16:30
