

SCINT 2001: 6th International Conference on Inorganic Scintillators

Monday, 17 September 2001

Scintillation mechanisms 1 (SM1) (16:00 - 17:30)

time	[id] title	presenter
16:00	[40] Stages of energy relaxation in scintillators and their influence on efficiency and energy resolution	VASIL'EV, A.
16:30	[41] NaI(Tl) Electron Energy Resolution	MENGESHA, W.
16:50	[42] Luminescence and Scintillation Properties of zinc oxide	WILLIAMS, R.
17:10	[43] A phenomenon of scintillation in solids	KORZHIK, M.
