

**Session Program**

**Sep 26 - 27, 2002**

**Future Physics at COMPASS**

***Future Physics @ COMPASS***

CERN, 503/1-001 - Council Chamber

# Fri, September 27

9:00 AM

## Future Physics @ COMPASS

Session | Location: CERN, 503/1-001 - Council Chamber

### 9:00 – 9:45 AM Double charmed Baryons

**Speaker**

Cooper, P.

**Location**

CERN, 503/1-001 - Council Chamber

### 9:45 – 10:30 AM Spectroscopy and lifetimes of double charmed Baryons

**Speaker**

Richard, J.-M.

**Location**

CERN, 503/1-001 - Council Chamber

### 10:30 – 11:05 AM Double Charmed Baryons in COMPASS

**Speaker**

Schmitt, L

**Location**

CERN, 503/1-001 - Council Chamber

### 11:05 – 11:20 AM Coffee

### 11:20 AM – 12:05 PM Recent calculations in cPT

**Speaker**

Gasser, J.

**Location**

CERN, 503/1-001 - Council Chamber

### 12:05 – 12:40 PM Measurements of p and K polarizability @ COMPASS

**Speaker**

Colantoni, M.

**Location**

CERN, 503/1-001 - Council Chamber

12:40 PM
