

Session Program

18-19 Nov 2002

**DataGrid WP7 Security Coordination Group
meeting**

Security Design: Authentication etc

CERN, 28/S-029

Tuesday 19 November

09:00

Security Design: Authentication etc

Session | **Location:** CERN, 28/S-029

09:00-09:15

Review agenda

Location

CERN, 28/S-029

09:15-09:45

Kerberos and GSI interoperability

Speaker

Olof Barring

Location

CERN, 28/S-029

09:45-10:15

Authentication news and issues

Speaker

Olof Barring

Location

CERN, 28/S-029

10:15-10:45

Coffee

10:45-12:00

Other security design issues

Location

CERN, 28/S-029

12:00-12:30

Security implementation - rollout plans

Location

CERN, 28/S-029

12:30
