

Session Program

11-15 Mar 2002

LCG Launching Workshop

Fabrics

CERN

Tuesday 12 March

14:00

Fabrics

Session | **Location:** CERN, 40-S2-A01

14:00–14:10

Introduction

Speaker

Stickland, David

14:10–14:40

Introduction and Overview of CERN T0/T1 plans

Speaker

Von Rueden, Wolfgang

14:40–15:00

Technology Overview: Mass Storage

Speaker

Petravick, Don

15:00–15:20

Technology Overview: Disks and File Systems

Speaker

Gaillardon, Philippe

15:20–15:40

Technology Overview: CPU

Speaker

Sansum, Andrew

15:40–16:10

Coffee

16:10–16:30

Technology Overview: LAN Networks

Speaker

Maron, Gaetano

16:30–16:50

Experiences at a Tier2 Center

Speaker

Fisk, Ian

16:50–17:10

Fabric Automation (The Challenge of LHC scale fabrics)

Speaker

Foster, David

17:10–17:30

Medium Term Issues for the Data Challenges

Speaker

Panzer-Steindel, Bernd

17:30–18:00

Discussion Time

18:00
