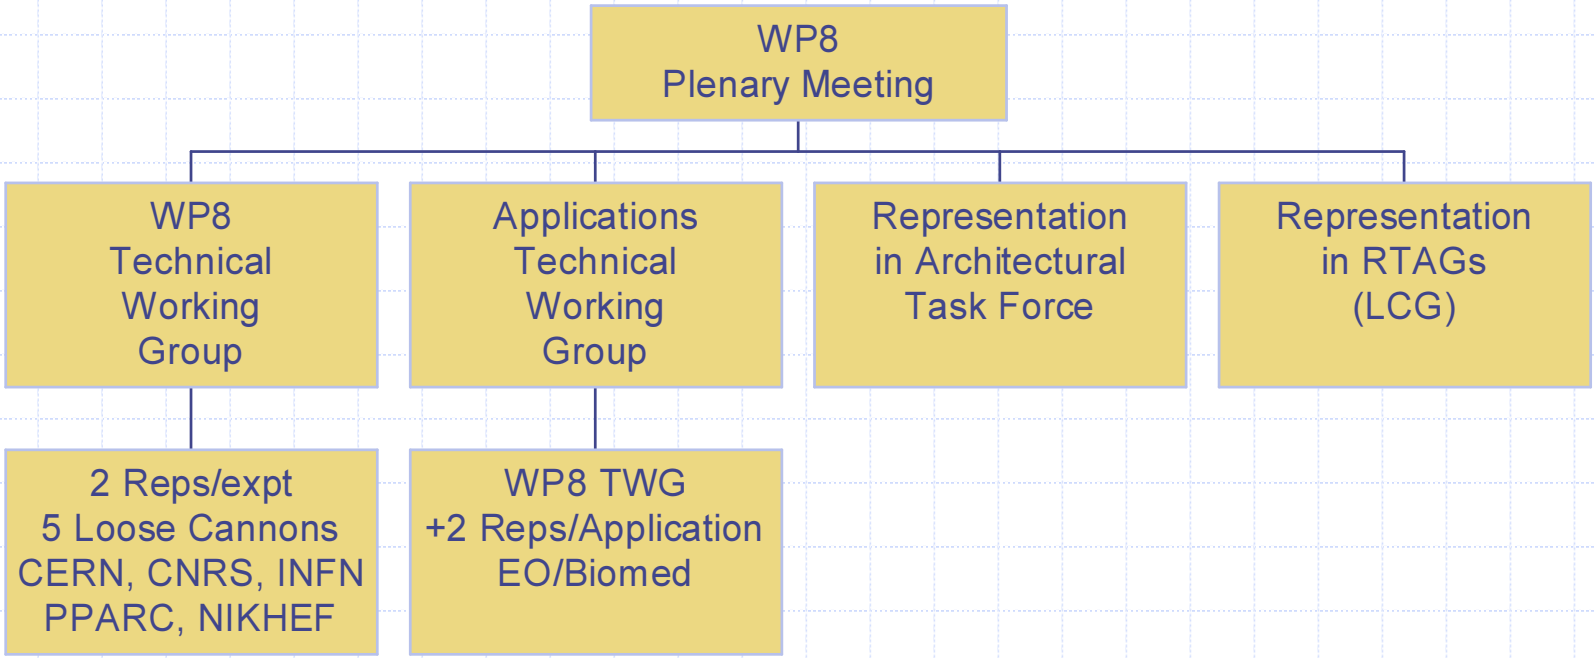
WP8 Organisation

Ingo Augustin
CERN

WP8 Organisation

WP8 Managers: F. Carminati
L. Perini (deputy)



WP8 Technical Working Group

- Deliverables
  - User Requirements
  - Testbed Assessment
  - Quarterly Reports
- Coordination of Tests and Activities
- Coordination with other Applications
- Interface between Expt's and EDG

Experiment Independent Persons

- Assignment by TWG
  - Collection of User Requirements
  - Identification of common use cases
  - First evaluation of testbed releases
    - Documentation
    - Functionality (test-suites)
    - Support for Experiments deployment
  - Others
    - Deployment of testbed1
    - RTAG & ATF
  - WP8 website/meetings/documents
- Chairing WP8-TWG and ATWG

Experiment Contact Persons

- ALICE
