

Session Program

4 June 2003

Physics validation of LHC simulation

Simulation physics validation

CERN, 40/4-C01

Wednesday 4 June

11:00

Simulation physics validation

Session | Location: CERN, 40/4-C01

11:00-11:25 **G4 validation with CMS HCAL test beam**

Speaker

Elvira, D.

11:25-11:45 **On resolving the shower-shape issue in the simulation of ATLAS HEC.**

Speaker

Wellisch, J.P.

11:45-11:50 **Status of "simple benchmarks"**

Speaker

Beringer, J.

12:30
