

Session Program

7-12 Jul 2003

Physics at LHC

Standard Model Day - Review Talks

Prague

Wednesday 9 July

09:00

Standard Model Day - Review Talks

Session | **Location:** Prague

09:00–09:35

ALICE Review

Speaker

Karel Safarik

09:05–09:40

Standard Model - overview and tests at LHC

Speaker

Zoltan Kunszt

09:10–09:50

Overview of the SM results from LEP and Tevatron

Speaker

Joachim Mnich

09:15–09:50

Expectations for the Standard Model physics at LHC

Speaker

Michael Dittmar

09:20–09:55

Project TOTEM and diffractive physics on LHC

Speaker

Karsten Eggert

12:30
