

Session Program

7-12 Jul 2003

Physics at LHC

Standard Model - overflow

Prague

Thursday 10 July

15:00

Standard Model - overflow

Session | Location: Prague

15:00-15:15 Top physics in CMS

Speaker

Marc Baarmand

15:05-15:20 Top mass measurement

Speaker

Vladislav Simak

15:10-15:25 Single top production in CMS

Speaker

Alexander Sherstnev

15:15-15:30 Triple gauge couplings

Speaker

Samira Hassani

15:20-15:35 Minimum bias and underlying event

Speaker

Ian Dawson

15:25-15:55 Physics potential of the ALICE experiment

Speaker

Orlando Villalobos Baillie

15:30-15:50 The TOTEM experiment

Speaker

Valentina Avati

18:00
