

Session Program

30 July 2003

Physics validation of LHC simulation

Physics validation

CERN, 32/1-A24

Wednesday 30 July

14:00

Physics validation

Session | **Location:** CERN, 32/1-A24

14:00–14:10

Physics lists for LCG and the LHC experiments - ongoing work

Speaker

Wellisch, J.-P.

14:10–14:35

First results from simple benchmarks

Speaker

Beringer, J.

14:35–15:00

Hadronic interactions in the ATLAS pixel detector

Speaker

Ribon, A.

15:00–15:20

Physics validation for the ATLAS Muon Spectrometer

Speaker

Rimoldi, A.

16:30
