
Welcome to

Forschungszentrum Karlsruhe

also a centre for astroparticle physics!

Summary Programme for the European Summer University 2006

time	3.7 UFR	4.7 Tue UFR Physique	5.7 Wed UFR Physique	6.7 Thu Observatory	7.7 Fri UFR Physique	8.7 Sat UFR Physique	9.7 Sun	10.7 Mon Forschungszentrum KA	11.7 Tue UFR Physique	12.7 Wed UFR Physique
8:30 -10:15	registration	Opening 8:45 ceremony *H.G.Schopper CERN* Physics brings Nations together	*G. Cohen-Tannoudji, CEA Paris* The Standard Model	*B.Vollmer, Observatoire Strasbourg* Classic Big Bang Cosmology	*A.DeRoeck CERN* Physics at Future High Energy Colliders (I)	*A.DeRoeck CERN* Physics at Future High Energy Colliders (II)	9:30 Excursion Vosges Walk with Picnic from Bergheim to Kintzheim (≈ 12km) Or sight seeing Bergheim and then by bus along the "Route du vin" to Kintzheim	*A. Haungs, FZ Karlsruhe* High-Energy Cosmic Ray Physics	*J.Lesgourgues, LAPP Annecy* Cosmological Neutrinos	*M. Petropoulos, Ecole Polytechnique, Paris* SUSY and String theories
Coffee								Coffee		
10:45 - 12:30	registration	*G. Cohen-Tannoudji, CEA Paris* The Standard Model	Free to prepare exercises	*J. Heyvaerts, ULP et Obs.* Strasbourg Cosmic High Energy Phenomena	10:30-12:30 Reimbursement at the "Caisse de l'ULP"	*M.Dracos, IPHC, Strasbourg* Neutrino Oscillations		*Klaus Eitel FZ Karlsruhe* Search for Cosmological Dark Matter	*M. Feindt, TU Karlsruhe* WWW, Grid, Neural Computing	*Exercises* Cosmic Rays Dark Matter Neutrinos SUSY and Strings
lunch								lunch		
14:00 -15:45	registration	Presentation of students, form exercise groups	*Exercises* Standard Model Experiments Neutrinos	*J.Ph. Uzan, Inst. d'Astrophys. Paris* Primordial Cosmology	*Exercises* Cosmology Astrophysics Collider Physics	14:00 Guided sight seeing of Strasbourg: Cathedral and old town		Visit of experiments: Kascade, Auger, Katrin	15 :00 European Parliament	*U. Parzefall, Univ. Freiburg* Silicon Detectors in Particle Physics
Coffee										Coffee
16:15 -18:00	registration	*U.Goerlach, ULP, Strasbg* Large experiments at large accelerators	free	Visit to (virtual) observatory	15:30 departure of bus: Visit of Campus Cronenbourg	free	17:00 Volerie des Aigles Château de Kintzheim			Synthesis and Closing session
Dinner		18:45 Welcome reception at the UFR	18:30 Reception at the « Mairie » of Strasbourg	Gallia	Gallia	Gallia	Soirée Tartes flambées Dieffenthal	19:30 BBQ in Neuburg On our way home	Students evening	
Evening Program		21:00 soccer World cup: Half Final	21:00 soccer World cup: Half Final	19:30 Musée d'Art Moderne	21:00 Nocturnal Boat-Ride	21:00d soccer World cup: 3rd position	20:00 soccer World cup: Final	21:30 Return to Strasbourg		

09:00-09:15 Introduction in Building 419, Room 104
09:15-10:15 A. Haungs
10:15-10:45 coffee
10:45-11:45 K. Eitel
11:45-13:00 lunch
13:00-16:00 visit of experiments KASCADE, AUGER, KATRIN in 3 groups rotating
as follows
13:00-13:45 First experiment
15min to go to next experiment
14:00-14:45 Second experiment
15min
15:00-15:45 Third experiment
16:00 End at Forschungszentrum Karlsruhe

19:30 BBQ in Neuburg on your way home
21:30 Return to Strasbourg
