

Session Program

15-16 Oct 2008

**Workshop on Timing Detectors: from particle
physics to medical applications**

Fast timing and TOF session

IPN Lyon

Wednesday 15 October

09:15

Fast timing and TOF session

Session | Location: IPN Lyon

09:15-09:45 Fast timing and TOF in physics

Speaker
Henry Frisch

09:45-10:15 Fast timing and TOF in PET medical imaging

Speaker
Bill Moses

10:15-10:30 Discussion

10:30
