

Workshop on Timing Detectors: from particle physics to medical applications

Wednesday 15 October 2008

Electronics and read-out (II) (16:30 - 19:00)

| time | [id] title | presenter |
|-------|--|----------------------|
| 16:30 | [11] Picosecond timing using microchannel plates | GENAT, Jean-Francois |
| 17:00 | [12] Filter transmission line read out of MCP | TANG, Fukun |
| 17:30 | [14] Electronics simulation | SALEK, David |
| 18:00 | [15] Discussion | |
