

**Session Program**

**15-16 Oct 2008**

**Workshop on Timing Detectors: from particle  
physics to medical applications**

***Applications in Physics and Medicine (II)***

IPN Lyon

## Thursday 16 October

15:50

### Applications in Physics and Medicine (II)

Session | Location: IPN Lyon

15:50-16:20

#### INNOTEP project

**Speaker**

Gerard Montarou

16:20-16:50

#### Front electronics read out for MCP - ABC

**Speaker**

Julien Lollierou / Yves Lemoigne

16:50
