

ATF (proj conf Barcelona)

Report of Contributions

Contribution ID: **1**

Type: **not specified**

Scheduling (ETT)

Monday 12 May 2003 16:55 (20 minutes)

Author: CAL

Presenter: CAL

Session Classification: Review of bugs and actions

Contribution ID: 2

Type: **not specified**

Baseline API

Monday 12 May 2003 16:00 (30 minutes)

In this context we should also briefly discuss the ATF webpage organization. Not only the baseline API should end up there but also all the other documents produced and probably all the UML diagrams.
