# EDG 2.0.x TESTBED APPLICATION STATUS

- Information issue from a document send to each site administrator to be filling.
- Representative of the set of site where the evaluation will be done during the next month.
- Some site (one or two) are missing.

A testbed enough large (#site, CPU, VO) to do the evaluation  
onside

The main part of the site which declared to support EDG until  
the end of the project (see the site status presentation at  
Barcelona) are present now.
