

Session Program

3-5 Nov 2003

**3rd RD50 - Workshop on Radiation hard
semiconductor devices for very high
luminosity colliders**

Defect and Material Characterization

CERN

Monday 3 November

09:00

Defect and Material Characterization

Session | Location: CERN, 40-ss-c01

12:15

09:00-12:15

Detailed Program: Workshop Home-Page

Location

CERN, 40-ss-c01
