

Session Program

29 September 2003 to 3 October 2003

Innovative Detectors for Supercolliders

Tracking with gaseous detectors

Erice (Italy)

Tuesday 30 September

15:30

Tracking with gaseous detectors

Session | Location: Erice (Italy)

15:30-16:10 **New trends in gaseous detectors**

Speaker

Sauli, F.

16:20-17:00 **Micro-pattern gaseous detectors**

Speaker

Peskov, V.

17:30-18:10 **System's aspects of (gaseous) tracking detectors**

Speaker

Meyer, T.

18:20-19:00 **Radiation damage and long term ageing in gas detectors**

Speaker

Titov, M.

19:10
