

## **Session Program**

**29 September 2003 to 3 October 2003**

# **Innovative Detectors for Supercolliders**

## ***Tracking with solid-state detectors***

Erice (Italy)

# Tuesday 30 September

09:10

## Tracking with solid-state detectors

Session | Location: Erice (Italy)

09:10-09:50    Precision inner tracking systems

Speaker  
Haber, C.

10:00-10:40    New trends

Speaker  
Roe, S.

11:10-11:50    Non-Si detectors

Speaker  
Kagan, H.

12:00-12:40

Development of semiconductor detectors for very harsh radiation environments in high energy physics applications

Speaker  
Casse, G.

12:50
